THE CARE IN OUR PROGRAMMES

HOW WE SELECT PARTNERS AND PROGRAMMES

Every partner and programme is selected following a rigorous process that considers Relevance, Impact, Innovation, Sustainability and Cost-effectiveness. Then, following selection, each undergoes regular monitoring, evaluation and fine-tuning for maximum effect.

FROM CONCEPT TO IMPLEMENTATION

The MSC Foundation invites **Preliminary selection** by the Secretariat to consider organisations to submit proposals or a concept note. the partner organisation envisaged, and to determine if the project concept is consistent with our funding guidelines, criteria and project **Application:** once a project resources, and is likely has been selected, its to meet its intended applicant submits a concrete objectives. project proposal (Grant Application Package) that

includes detailed information on the background to the project, its target group, and its planned activities, objectives and results framework, along with a detailed project budget.

The Advisory Board, which meets twice a year, assesses the application package and makes a recommendation to the Board. The Board approves applications once a year.
